TLE TRADING IN WALL STREET

ease of Pressure From Market Does Not Increase Volume of Business.

NDITION ONE THAT REQUIRES CONSERVATISM

iod of Crop Moving and Active Demand for Money Big Factors.

Y YORK, July 9.-The symptoms pressure being off the stock which prompted the rallying cy of the latter part of the last showed themselves again today to extent. But this failed to atany demand for stocks or to enany attempt to get prices The most notable consequence state of affairs was the shrinkin the volume of speculation, to a smaller figure than for many

diate developments played but a part in the action of the market, the general outlook on the future kept in consideration, especially consideration, especially ative action in speculative matters telt to be desirable, and in fact sary, to insure a safe progress saft the coming period of croping and active demand for money lent to it.

sure from influential banking s and admonition not through channels, but by personal ina in many cases, are believed to ployed to effect this course. banking resources are not avail-for speculative attempts to lift and banking opinion is believed or an unfettered price movement. desirable not to oppose artificial nts, and it is urged that if ary and it should start suddenly a level of prices so high as to o attraction for the absorpofferings, a disastrous outcom follow The Saturday ban nent, with the surplus showing ed to \$6,465,075, had its continuing in chilling speculative en.

IN MARKET IN ZION

Shipment Came From the Eastern Portion of the State.

RASPBERRIES, CURRANTS, ARE NOW IN PRIME

There is a Falling Off in the Supply of Cherries-No More Strawberries.

Utah peaches made their first ap-pearance of the season on the local market Monday. The shipment consisted of thirty-six crates, and came from the eastern part of the State. The peaches were in excellent condition upon arrival here. More shipments are expected to arrive soon. The whole-sale price was \$1 a crate. A carload of cantaloupes arrived during the day from California.

Respherries in Their Prime.

There were a few crates in market Monday, and there will be a few

Ret Monday, and there will be a few received each day for several days. The fish market opened the week's business with a good supply of salmon, halibut, fresh mackerel, soles and bass. No new varities were received.

B. Indian Warehouses at Chicago, Illinois,
and Omaha, Nebraska, and at the School.
For further information apply to Laura
B. Work, Superintendent, Orton, Utah,
C. F. LARRABEE, Acting Commissioner.

WHEAT IS WEAKER IN CHICAGO MARKET

Prospect of Large Receipts and Fine Weather Both Please Bears.

CHICAGO, July 9.- The probability of a large increase in local receipts tomorrow had a weakening effect on the wheat market today. September closing at a decline of %6%c. Corn was up %c. Oats were 140%c higher. Provisions were unchanged

75c higher. Prior to the announcement of the amount of wheat expected to arrive in Chicago tomorrow the market was firm Chicago tomorrow the market was firm on good buying by shorts. The demand was largely due to the comparatively firm tome of the Liverpool market, where prices were steady, notwithstanding Saturday's decline on the local exchange. When it was posted that 165 cars were expected here tomorrow, prices declined abruptly and sentiment was bearish for the remainder of the day. Weather conditions were ideal both for the harvesting and marketing of the fall sown crop and for the maturing of the grain in the Northwest.

Lower prices for cash wheat at Kansas City and St. Louis depressed the price of options here. The market closed weak at about the lowest point of the day. September opened a shade higher, at 784c, advanced to 78%c and then declined to 77%c. Final quotations on September were at 77%c, a decline of 50%c.

DR. C. W. HIGGINS 33 Years in Sait Lake City

Oldest Reliable Specialist in the City.

Salt Lake Microscopic Medical Institute DR. C. W. HIGGINS, M. D. Mgr. and Prop.

ST. ELMO HOTEL, Corner Main and Third South Streets.

After 45 years' study of Nature and her laws along special lines, my superior advantages and ability go without saying, and I unbestatingly declare, and my unparallelel record as a successful specialist in private diseases of men backs up my claim, that more men have been cured by me of VARICOCELE. HYDROCELE. NERVO-SEX-UAL DEBILITY, BLOOD POISON and REFLEX DISGEDERS within the last & years than by any specialists in the United States combined. This fact is self-evident and indisputable, and, with my rates more reasonable and treatment more successful you do wrong to experiment with concerns whise methods are being frequently changed, and whose doctors are the scrapings together of transient and defunct concerns.

Courtesy demands that we mention no names in a newspaper, but if you come to my office I can furnish some valuable information with the proofs so conclusive that you will not regard them as selfish arguments.

NERVO-SEXUAL DEBILITY CURED.

And will forfelt \$300 for any case taken under his treatment which he falls to cure if directions are followed. All cases of piles cured. Liver and kidney complaints cured. All classes of fits cured. Tapeworm removed with head or no pay.

Office hours: 10 to 3:30 and 7 to 8 p. m. Please send for a list of questions to DR. C. W. HIGGINS, Salt Lake City, Utah.

DR. COOK'S SCIENTIFIC, CERT AIN AND COMPLETE CURE FOR

Weak, Nervous, Restless at Night, and Weak, Aching Back, Diseased Kidneys, In-famed Prostate, Despondent, Lack of Energy, Ambition and Strength, Poor Memory, Hol-lowed Eyes, Face Pimples and

Dark Circles under Eyes, Bashful, Melancholia, Youthful Folly, Weak, Trembles, Varicocale, Excessive Drinking, Loss in Urine, Exposure, Overwork and Worry, Exhausting Dreams.

An endless number of men have one or more of the above symptoms and drag from lay to day in despair of a prosperous, happy future, and well they may, for if neglected their health is sure to be wrecked by a complete less of physical, mental and sexual power.

My method completely and permanently revives manhood after "curaall" remedies and "quickcure" specialists fail to even benefit.

My scientific, systematic course of treatment for weak, nervous, brokendown youths and men, who have, through folly, dissipation and excesses, unfitted themselves for work and the enjoyment of life, is a system that has been tested many times over and proven entirely satisfactory in every case. It is totally different from the many atshening plils and tablets, and the stimulating, stomach-ruining drugs given by would-be specialists. My specific treatment for all the symptoms indicating Failing Manhood is harmless. though so effective as to remove them immediately. It is constitutional, therefore, by purifying and enriching the blood, strengthening the nervous system, nouristing the tis-sues, the patient becomes strong and healthy with all signs of trouble forever gone. The treatment is to the human system what the sap is to the tree—it buds energy, ambition and confidence that leaf into a prime, healthy, vigorous feeling of new life.

I treat and cure all such pelvic diseases as PILES, PISTULA, RUPTURE, VARICOCELE, HYDROCELE, BLOOD POISON SKIN DISEASES, SORES, ULCERS, NERVOUS DECLINE, and diseases of the KIDNEYS, BLADDER AND PROSTATE. My method of treating these diseases has proven so successful that I guarantee a permanent cure in every case accepted, and contract by a written instrument to produce permanent and satisfactory results or refund money.

IMPORTANT-I will cure you for less money than you can be treated for by any other specialist in Salt Lake. You may have to come to me sooner of later in order to be properly cured; why not before you have lost your money in doctoring with cheap, unskilled specialists? CURE OR NO CHARGE-ABSOLUTELY NO CHARGE UNLESS SAT-

ISFACTION IS GIVEN. Every patient is given a written guarantee to refund every dollar paid for services if they do not receive a complete, lifelong cure and entire satisfaction, and I have made a deposit of \$500.00 in the bank to secure any contract that is not fulfilled.

CONSULTATION FREE, CONFIDENTIAL AND INVITED. A personal, thorough and searching examination is required, though if inconvenient to call, write me a full description of your trouble. Office hours: 5 a. m. to 5 p. m., except Sundays, from 5 to 12:30, Address or call
